

# Economy

- Evaluate climate change vulnerability
- Balanced economy
- Reconcile cost of living w/ wage gap → year round jobs that pay living wage

(4)

## Goals

- Support entrepreneurship
- Utilize infrastructure @ JBCC to move goods + services
- Enhance Blue Economy where feasible

## Needs

- Highlight Mashpee's existing competitive advantages — NR, Open Space
- Enhance parks → places for community connections
- Aquaculture
- Balanced workforce

→ Housing + transportation

• Loans / incentives / mentorship

→ Town Marina — comm fishing, etc (other needed facilities)

Evaluate user conflicts in fishery + invest in appropriate infrastructure
